I'VE NEVER BEEN AS OPTIMISTIC AND ENTHUSIASTIC ABOUT THE

Sometimes we get so busy doing things that we don't think about what we've already done. That's why the Friends of Arrow Rock Annual Report is always so gratifying to produce because we take the time to reflect on our accomplishments. As we look back on 2013, the accomplishments are quite impressive.

With the proceeds from the 50th Anniversary Campaign, we have been diligently working to maintain and restore the Friends' 13 properties. If you have driven through Arrow Rock lately, I think you will agree that they have never looked better. You can read more about the preservation work in the Properties Report section.

Thomas B. Hall III
President
Friends of Arrow Rock

In 2013, we expanded First Saturdays to include additional lectures on a fascinating array of topics, from Osage Culture to the History of Birds. We also are in the process of restoring the second floor of the Black Lodge, thanks to a wonderful gift of authentic lodge furniture from the Rising Sun Lodge #164 in Columbia, Missouri. These and other initiatives are featured in the Education Report.

On the lighter side, the Friends of Arrow Rock organized three very successful social events in 2013, which are highlighted in an article in this edition. Not only do these events build camaraderie among our members, they are also an important source of financial support for the organization.

Speaking of support, I hope you will take time to read about the gifts, memberships and volunteer efforts that enabled us to accomplish so much in 2013. Thanks to your support, it's been another banner year for the Friends of Arrow Rock.

During my five decades of involvement, I've never been as optimistic and enthusiastic about the future of the Friends of Arrow Rock as I am today. A heartfelt thanks goes to every one of our supporters for making all this possible. ▶

Gifts, memorials and bequests to the Friends of Arrow Rock's endowment fund are an especially thoughtful and long-lasting way to support the Friends' mission of historic preservation and education. In 2013, income from the endowment provided over \$38,000 of our income of \$246,000. The endowment is made up of five named endowment funds and one undesignated fund. For investment purposes, these funds are pooled and the pooled fund is divided between investment accounts that are professionally managed by the trust departments of Wood & Huston Bank in Marshall, Missouri, and Bank of America in Kansas City, Missouri. Named endowment funds may have either unrestricted or restricted uses. Of the five named endowment funds, their donors have restricted three to specific uses.

Named endowment funds may be established with a gift or bequest of \$50,000 or more. This is an ideal way to honor or memorialize a family member, or to provide a permanent source of income for one of the Friends' programs or activities that appeal to you. Call the Friends of Arrow Rock office at 660-837-3231 to learn more about this and other opportunities to establish named endowment funds. 

Friends Receive Gifts from Life Members, Foundations & Trusts

"I'm continually amazed by and grateful for the generosity of our many friends," says Executive Director Kathy Borgman. "It truly makes opening the mail and answering the phone and e-mails a delight. Working together, we get a lot done. Thank you so much!"

Here are some of the generous gifts received in 2013 in addition to the many who made membership and end-of-year gifts that are listed elsewhere in this report.

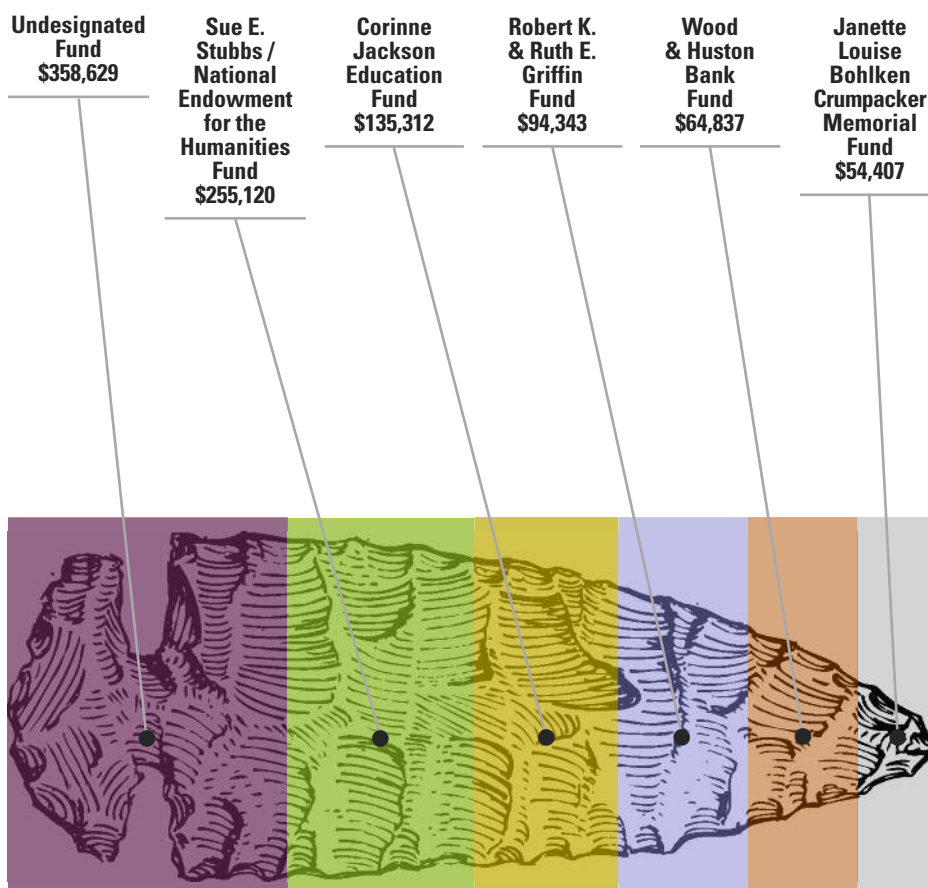

Byron and Marilyn Shutz made a \$20,000 pledge and first payment to fund the writing and publishing of the history of the Friends of Arrow Rock which will be released at our 55th Annual Meeting June 8, 2014.

Kathy Diggs made a \$2,265 gift to enable us to upgrade our insurance to full replacement coverage. We currently carry more than \$2 million dollars of insurance coverage on our 13 historic properties.

The **Dess Caylor Trust, George Blackwood, Trustee**, provided a \$2,500 grant for a communications consultant to manage our web site, write e-newsletters and make regular posts to Facebook.

Following his tradition, **John Callison** designated a \$1,000 Christmas gift in his honor to be given to the Friends.

Friends of Arrow Rock Endowment Fund Tops \$962,000

Wicky Sleight gave her husband an “adopted building” for a Christmas gift; he now is helping watch over the John P. Sites House, and the \$1,000 gift is taking care of lots of utility bills.

Bill True made a \$5,000 gift that allowed us to install an alarm system in the new African-American Museum in the Black Lodge and to upgrade the system in the Sappington Museum. Both museums are open daily year round. And there was even some money left over to cover utility costs.

The **Enid and Crosby Kemper Charitable Trust, UMB, Trustee** made a \$5,000 gift to the general operating fund. Unrestricted funds are so helpful in meeting the day-to-day costs of keeping the doors open, funding everything from salaries to utilities.

Tom and Margaret Hall's generous gifts included extending their annual 50th Anniversary Campaign Pledge of \$20,000 to fund a development and management consultant, a \$3,000 gift to cover the cost of distributing the planned 55th anniversary history of the Friends of Arrow Rock to everyone on the Friends' mailing list, a 37" flat screen TV in the museum shop for viewing *The Preservation Story of Arrow Rock*, produced by Communications Consultant Sandy Selby, a \$1,000 gift for computer consultation and troubleshooting, a \$500 gift for a higher level of membership of the Friends in the

State Historical Society of Missouri, professionally photographed images of several Bingham portraits, \$2,000 for electrical work at the Sappington Museum, and \$450 for signage and a reproduction of Bingham's *Family Life on the Frontier* for the Shelby Log Cabin.

Friends Trustee **Dan Auman, co-owner of Auman Mack**, a marketing, advertising and design firm in Mission, Kansas, along with his colleague **Karen Swope**, donated numerous services to the Friends in 2013. For the second year in a row, Dan's design of our newsletter won the prestigious first place “Philly” award in the print newsletter category at the annual Philanthropy Midwest Conference in Kansas City. His design of our 2012 Christmas Party Invitation also took first place in the Invitations category. In addition to these award-winning projects, he designed way-finding signs for all our properties incorporating a new logo which Dan designed. And the Friends have new stationery to match. Thanks to Dan and his associate Karen Swope, we are enjoying a new look, with professional “branding” of all of our publications and signage.

Printing and hardware for the way-finding signs were funded by a generous gift from **Mrs. Althea Breitwieser**, mother of Friends Trustee **Chet Breitwieser**, in memory of Chet's father and brother.

The **Gladys M. Thomas Ability Fund**, a donor endowment under the auspices of the Able Trust, Tallahassee, Florida, made its annual distribution of \$2,747 in 2013. Funds are used for the upkeep of the 1903 Lawless House, which Gladys restored in 2003. The house was her grandparent's home.

Keith & Leslie Anderson, Kirby McCullough & Dan Auman, Blumhorst Veterinary Hospital, Chet Breitwieser, Marty & Sandy Selby, Irene

Thomas & Dan Yount all made pledge payments for the 50th Anniversary Capital Campaign.

The Pillsbury Foundation, Nancy Pillsbury, Vice-President and Treasurer, made a \$50,000 gift to initiate work on a full-length documentary film on the life of Arrow Rock artist George Caleb Bingham. Wide Awake Films has been hired to write the script based on detailed biographical documents prepared by Friends consultant Steven J. Byers.

“Regular Maintenance:
This is the most practical
and economic form
of preservation.”

– The Society for the
Protection of Ancient Buildings

“Indeed, the best preservation IS good maintenance. No one understands that better than our Properties Manager Marty Selby,” said Executive Director Kathy Borgman. “Thanks to Marty, the small routine jobs get done as well as those bigger projects. Regular cleaning is also essential, and we have Vicki Steding to thank for so ably providing that service. And special thanks to all our members whose gifts enable us to do both the little and big preservation jobs.” ▶

FRIENDS OF ARROW ROCK LEGACY SOCIETY

The Friends of Arrow Rock Legacy Society recognizes those who have named the Friends as a recipient of a gift upon their death. This is the ultimate vote of confidence given to our work of preservation and history education in Arrow Rock.

Sixteen Legacy Society members were recognized at a luncheon at the Arrow Rock Station on Saturday, June 1st. We welcomed Barbara Armstrong as a new Legacy Society member who spoke eloquently of the love she and her late husband, Harold, shared for Arrow Rock and its history. Legacy Society member Steve Horman also spoke about his experiences working in the historic town of Lencois, Brazil while a Peace Corps worker. Arrow Rock was his inspiration for what has now become a National Park in Brazil. President Tom Hall gave members an update on Friends activities and future plans. Later in the year, we received notice of the following four new members: Irene Thomas, Hal and Wilda Sandy, and Zemula Pierce Fleming. We are saddened by the deaths of Legacy Society members Doris Whitlock and Bud Kruse.

Unless otherwise designated, all bequests are placed in our Endowment Fund, which now totals over \$960,000. In 2013, income from the endowment was \$38,100. This was a substantial and very welcome contribution toward the Friends' 2013 operating budget of \$240,700.

Consider joining the Legacy Society by notifying us that you have designated a gift to the Friends in your will

or estate plans. No minimum amount is required, we do not need copies of any part of your estate-planning documents, and we do not ask you to disclose the amount of your planned gift, though it does help for planning purposes if you choose to do so.
